

REMARKS

Claims 1-62 are currently pending in the application. By this Amendment, claims 1, 13, 22, 35, and 45-50 have been amended, without acquiescence in the cited basis for rejections or objections or prejudice to pursue the original claims in a related application. No new matter has been added.

I. Rejections of the Claims under 35 U.S.C. § 101

Claims 1, 13, 22, 35, and 45-50 stand rejected as being directed to non-statutory subject matter. In response, Applicants respectfully submit that claims 1, 13, 22, 35, and 45-50 are currently amended to recite “computer usable storage medium” and are thus believed to have overcome the rejections. Applicants thus respectfully request withdrawal of the rejections and reconsideration of claims 1, 13, 22, 35, and 45-50.

CONCLUSION

Based on the foregoing, all claims are believed allowable, and an allowance of the claims is respectfully requested. If the Examiner has any questions or comments, the Examiner is respectfully requested to contact the undersigned at the number listed below.

Applicant(s) hereby explicitly retracts and rescinds any and all of the arguments and disclaimers presented to distinguish the prior art of record during the prosecution of all parent and related application(s)/patent(s), and respectfully requests that the Examiner re-visit the prior art that such arguments and disclaimers were made to avoid.
